

FROM THE PRESIDENT
OF THE BOARD OF DIRECTORS

Dear Friends and Supporters of Undercroft Montessori School,

One of the key responsibilities of the Board of Directors is to ensure the financial stability of our school. While most of our budget comes from tuition, philanthropic gifts allow Undercroft to plan beyond the basics and look toward the future of our school. It is in partnership with our generous supporters – YOU – that we are able to have a lasting impact on the families we serve, as well as the greater community.

During the 2022-2023 school year, the main opportunities for making this impact were through the Annual Fund in the fall semester – and our yearly soiree fUNDERraiser event. Held in April 2023, this year's event was a huge success thanks to all of you. Combined, these two efforts raised more than \$100,000 to support the sustainability and growth of Undercroft.

Your unwavering commitment to our school is more than just financial support; it is a tangible expression of your belief in the power of Montessori education and the potential of every child in our community. Your donations have allowed us to continue our journey of providing an exceptional educational experience for our students, empowering them to grow into confident, compassionate people with a love of learning.

As we move forward into our 60th year, we are excited to build upon the foundation you have helped us establish. Your continued support is invaluable, and we are deeply grateful for your partnership in shaping the future of our students and the success of our school.

Thank you for being an essential part of the Undercroft family, and for your commitment to the transformative power of Montessori education. We look forward to continuing our journey together in the years to come.

With gratitude,

Robert Thomas
President of the Board of Directors

IMPACT REPORT 2022-2023

FROM THE HEAD OF SCHOOL

Dear Undercroft Community,

I am delighted to share with you Undercroft Montessori School's Annual Report for the 2022-2023 school year. As we reflect upon the past year, it is clear that our school community continues to thrive, adapt, and grow, while keeping our values and commitment to the Montessori method at the heart of everything we do.

Undercroft has a nearly 60-year legacy as a site of curiosity, creativity, and discovery. We are proud of the nurturing environment that encourages each child to develop their full potential, to explore, and to become passionate, lifelong learners. Everything we do is child-centered and stems from our commitment to authentic Montessori education.

This past year has been another extraordinary journey in partnership with our staff, students, families, and friends. Some of the highlights of the 2022-2023 school year include record enrollment numbers, participation in the Martin Luther King, Jr. Day Parade and a joyful return to our pre-pandemic level of family events and activities.

Serving Undercroft as our Head of School is my sincerest privilege, thanks to all of you. I cannot overstate the honor it is to be entrusted with the care and nurturing of your children every day. Thank you for your ongoing support, dedication, and belief in our mission.

Sincerely,

Nancy Davis
